December 16, 2005

Morning

START	END	WHAT	WHO
8.45	9.00	Welcome and introduction	Paolo Dario

**Reports and discussions on the activities carried out during the second year
PART #1 (in alphabetical order)**

**EACH PRESENTATION SHOULD BE
COMPOSED OF TWO PARTS:**

PART A) Technical/scientific contributions to one or more NEUROBOTICS platforms: Neuroexos, Third Arm, Cybernetic Prosthesis, Teleoperated catching, Telepresence, Natural interfaces, Cortical interfaces, Invasive peripheral interfaces, Non-invasive central interfaces;

PART B) Additional collaborative research activities which already have or are generating new publications, new models, new patents, new hardware, new projects.

9.00	9.30		DLR
9.30	10.00		KTH
10.30	11.00		IBMT
10.30	11.00	BREAK & INFORMAL DISCUSSION	
11.00	11.15		WASEDA (teleconference)
11.15	11.45		SSSA
11.45	12.15		UAB
12.15	12.45		UGDIST

Lunch & informal discussions

START	END	WHERE
12.45	14.00	Scuola Superiore Sant'Anna

Afternoon

START	END	WHAT	WHO
Reports and discussions on the activities carried out during the second year PART #2 (in alphabetical order)			
14.00	14.30		UNIPR
14.30	15.00		UPMC

START	END	WHAT	WHO
-------	-----	------	-----

Presentations of partner's proposals for the next phase

**EACH PRESENTATION SHOULD BE
COMPOSED OF TWO PARTS:**

PART A) Technical/scientific contributions to one or more NEUROBOTICS platforms: Neuroexos, Third Arm, Cybernetic Prosthesis, Teleoperated catching, Telepresence, Natural interfaces, Cortical interfaces, Invasive peripheral interfaces, Non-invasive central interfaces;

PART B) Additional collaborative research activities which already have or are generating new publications, new models, new patents, new hardware, new projects.

15.00	15.20		DLR
15.20	15.40		KTH
15.40	16.00		IBMT
16.00	16.30	BREAK & INFORMAL DISCUSSION	
16.30	16.50		SSSA
16.50	17.10		UAB
17.10	17.30		UGDIST
17.30	17.50		UNIPR
17.50	18.10		UPMC
18.10	18.30	CONCLUSIONS	Paolo Dario
18.30		End of the meeting
